

MITCHELL WACHERA

Software Engineer

PROFILE

Motivated and dedicated software engineering enthusiast with a strong passion for creating innovative solutions. I have 3 years worth of experience as a web developer and a year as a software engineer. I am currently enrolled in the ALX Software Engineering program, where I am acquiring in-depth knowledge and practical skills in various software development technologies. I hold a Bachelor of Arts degree in Economics with a minor in Psychology from Kenyatta University. Additionally, I have completed the CS50 Web Programming with Python and JavaScript course at Harvard University through edX.
